Dear students & fellows,

Unfortunately, the USC can not provide accommodation at the residences located in Campus Sur, therefore you will be accommodated at **Burgo das Nacións Residence Hall** in Campus Norte.

<http://www.usc.es/en/servizos/sur/residencias/burgo/index.html>

The area of Santiago de Compostela Campus is not very extensive, so this is a small inconvenience.

When you arrive to the Residence, please provide your name in the reception desk and they will let you know your room number.

Burgo das Nacións Residence is within a 20 minute walk from Faculty of Law (where the conference will be held). There are two bus lines between Campus Norte and Campus Sur:

- Line 5: <http://www.tussa.org/web/linas.php?id=33&lg=cas>

-Line 15: <http://www.tussa.org/web/linas.php?id=16&lg=cas>

The information is only available in Spanish but you can ask for further details regarding transportation (timetables, taxis numbers...) at the residence.

Looking forward to seeing you all in Santiago de Compostela!!
